INVERNESS-SHIRE RIFLE ASSOCIATION

OPEN MEETING

1. NRA Regulations will govern the Meeting except where otherwise stated. Either 7.62mm or 5.56mm target rifles, which comply with NRA Regulations, may be used.
2. Handloads are permitted but must not exceed either;

a muzzle velocity of 1000 m/sec

or muzzle energy of 7000 Joules

3. Two sighting shots per distance in each Competition will be convertible.
4. Membership of the Association is a pre-requisite for all competitors.
5. Competitors will be squadded in pairs or threes to a target.
6. Competitor butt marking will take place (NB markers maybe provided if entries are high)
7. Competitor range conducting officers will be used.
8. Scoring – see firers brief
9. V Bulls will be used throughout all competitions. The order of merit in all competitions will be decided by the number of V Bulls scored. Ties for first place will be shot off in all competitions for which a trophy will be awarded otherwise placing will be decided by counting out.
10. The deposit fee to challenge the value of a signalled shot will be £0-50
11. Classification is as follows: -

Class A	A competitor who has represented their country in the last ten years, or is a “X” / “A” class shot, or has finished in the top 25% of the preceding years competition.
Class B	A competitor who has not represented their country in the last ten years, or is an “O” class shot.
F Class	as detailed in the Bisley Bible.

12. Squadding cards will be issued on the range.
13. Any firer missing the target (twice) will be asked to stop firing but to carry on scoring the other firer's score card. That firer will then be excluded from that day's competition.
14. The Organiser reserves the right to vary any matters connected with the Meeting
